CAREER OBJECTIVE

Aspiring full-stack developer with a strong foundation in programming and web development. Currently completed a Diploma in Software Development at Rosebank College. Passionate about building dynamic and user-friendly applications, and eager to apply my skills in both front-end and back-end development.

EDUCATION

- 2008 - 2018
MERIDIAN COLLEGE
- 2018 - 2019
HUDSON NTSANWISI SEC. SCHOOL
 - Matriculated
- 2022 - 2024
ROSEBANK COLLEGE
 - Diploma in Software Development

PROJECTS

Bird-Watching App

- Developed a mobile app using Kotlin for bird enthusiasts to track nearby birding hotspots.
- Integrated the eBird API to display bird observations and allow users to save sightings.
- Featuring an image gallery with access to the device's camera and photo gallery.
- Implemented fragments for better navigation and user experience.

Contract Monthly Claim System (.NET Core Web Application)

- Designed and developed a web-based system prototype using .NET Core, featuring a UML class diagram, project plan, and GUI design.
- Implemented functionalities for managing monthly contract claims.

Student Information Management System

- Created a WPF desktop application to manage student records, including file upload, input validation, and data storage.
